

BASE BALL--POTOMAC (2D NINE) VS. PYTHIAN.
Return Game.—The return game of the home-and-home match between the second nine of the Potomac, and the first nine of the Pythian Club, came off yesterday afternoon in the grounds of the latter, in the Monument grounds. Quite a crowd of spectators witnessed the playing, which was characterized by a number of good points made on both sides, and resulted in the defeat of the Potomacs by 13 runs. During the game two of the players, Messrs. Clayton and Forayth, were so disabled, the former by a sprain and the latter by an injury to his hand while at his post as catcher, as to compel them to relinquish their posts to others. Below we give the score:
